

# November

## Cozy Checklist

|        |                                                                     |
|--------|---------------------------------------------------------------------|
| No. 1  | Bake a loaf of cozy fall bread                                      |
| No. 2  | Refresh a cozy corner for late fall                                 |
| No. 3  | Create your signature warm drink                                    |
| No. 4  | Start gentle holiday planning                                       |
| No. 5  | Host a cozy family night at home<br>(maybe a game or puzzle night!) |
| No. 6  | Write a gratitude list                                              |
| No. 7  | Add layers of candlelight for a cozy glow                           |
| No. 8  | Reflect and reset for the season ahead                              |
| No. 9  | Tuck the garden in for winter rest                                  |
| No. 10 | Style your table for a cozy Thanksgiving meal                       |
